

REMARKS

In response to the Restriction Requirement dated August 1, 2003, Applicants hereby wish to elect the subject matter of Group II (claims 47-61) for continued prosecution in this application. In addition, claims 62 and 63 were newly added. Support for these new claims can be found in, e.g., original claims 47 and 56. Therefore, no new matter was added with this amendment. This election is being made without traverse and without prejudice to continue prosecution of those non-elected claims in a later application.

CONCLUSION

If the Examiner has any questions regarding this communication, or feels that an interview might facilitate prosecution of the application, he is invited to contact the undersigned at (949) 737-2900.

Respectfully submitted,
